

New Recycling Rules!

DID YOU KNOW THAT... One bad bin can contaminate a truck of good bins?

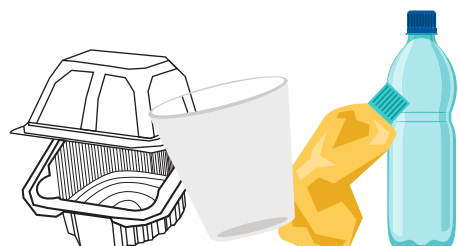

When in doubt, check the free Eagle County Waste Wizard App.

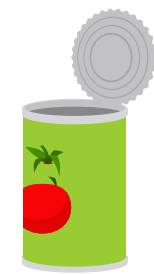

Always Recycle

Glass Jars & Bottles
w/out lids

Plastic Cups, Bottles, Tub, Jugs
(w/ lids attached)
Clam-shell Containers
(plastic fruit & veggies containers)

Tin Cans

Aluminum Cans
plz don't crush

Newspaper, Paper,
Office/Mixed Paper

Magazines & Junk Mail

Paperboard
no frozen food boxes

These Items Go Somewhere Else Check the Waste Wizard App!

- Batteries
- CFL Light Bulbs
- Electronic-Waste
- Greasy Pizza Boxes *compost if you can!*
- Large Metal
- Syringes & Needles
- Textiles *clothing, sheets, fabrics, shoes*

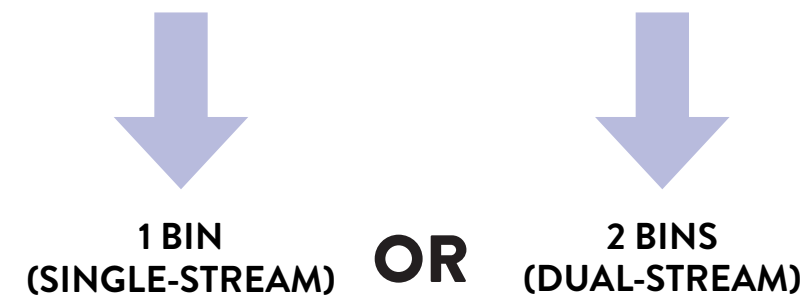

Always Trash

- Plastic Bags *don't bag your recyclables*
- Broken Stemware or Ceramics
- Small Plastics *utensils, cold/hot drink lids, dressing cups*
- #7 PLA Plastic
- Styrofoam

When in doubt, throw it out!

How to Sort Those "Always Recycle" Items

DO YOU USE...

Single-stream (1 bin) recycling means you to put all recyclables into the same bin.

Note that most businesses use single-stream.

- > VAIL VALLEY WASTE
 - > WASTE MANAGEMENT
 - > VAIL HONEYWAGON
- all other residential pick up aside from the dual stream communities on the right.

Dual-stream (2 bins) recycling means that you separate your plastics, glass, cans, bottles from the paper and paperboard. In dual-stream, cardboard is not collected curbside and should be taken to a drop-site.

- > FREE RECYCLING DROP-SITES
 - > VAIL HONEYWAGON
- in the communities of:
TOWN OF EAGLE
TOWN OF MINTURN

Regardless of Bins, These Items are Tricky

- these items depend on your stream-
check the Waste Wizard App for answers

- Aseptic Cartons *juice and milk cartons*
- Cardboard
- Shredded Paper
- Starbucks/other hot cups
- Tin Foil *clean and balled up*
